- Turn right on First Street
- Turn left on Johnson and continue to central campus (road name will change to Gorham and then to University).
- Turn left on Randall Avenue
- Turn right on Engineering Drive

From West Madison, University Ave.
- Travel East on University Avenue
- Turn right on Randall Avenue
- Turn right on Engineering Drive

Parking and Drop-off
Parking is available in the ramp (Lot 17) at the end of Engineering Drive. Enter the ramp on the north side. This entrance is attended, and you will be charged if you enter before 4:30 PM. Half-day and full-day rates are available. Handicapped parking is located on the ground level of the ramp.

Passenger drop-off is at the end of Engineering Drive, immediately in front of the Main Entrance to the Engineering Centers Building.

Locating the Trace Center inside the Engineering Centers Building

From the Main Entrance
- From the parking garage or drop-off, you will enter the building through the main entrance into a glass atrium.
- Turn right after entering the building, and proceed all the way down the length of the building to the last hallway on your left.
- Take the elevator at the entrance to this hallway to the 2nd floor.
- Turn left after exiting the elevator.
- The Trace Center’s main entrance is Room 2107 (first door on the right).

From the North Entrance
- Take the elevator found inside the North entrance to the 2nd floor.
- Turn left after exiting the elevator.
- The Trace Center’s main entrance is Room 2107 (first door on the right).
